

Scoring Rubric

Adapted from The Open Championships Series – official AUREX partner.

Score Range	Summary	Meaning
96–100	Industry Leading	Exceptional performance quality with outstanding execution, presence and impact.
90–95	Excellent	Strong performance with high quality execution and only minor inconsistencies.
85–89	Above Average	Clearly competitive level with solid technique and performance quality.
76–84	Average	Comparable to many teams at this level with clear areas for development.
70–75	Below Average	Developing level with noticeable technical or performance gaps.
50–69	Development Level	Early development stage with significant room for improvement.
